Description

M.R. Neel is seeking a full-time plumber to join our established team in Haddon Heights, New Jersey. Our family-owned business carries a legacy of honest craftsmanship and technical skill. We provide a broad range of residential and commercial services across Camden and Burlington Counties, focusing on providing reliable solutions for our neighbors. Our mechanics stay with us for an average of 10 years because we prioritize technical proficiency and respect for the trade.

Responsibilities

- Install, repair, and maintain pipes, valves, fittings, and drainage systems in residential and commercial buildings.
- Respond to, diagnose, and resolve plumbing emergencies with speed and technical accuracy.
- Perform routine inspections of plumbing and drainage infrastructure to identify potential failures.
- Collaborate with general contractors, electricians, and other construction professionals on project sites.
- Manage detailed documentation regarding time spent on-site and specific work performed.

Qualifications

- Minimum of 5 years of professional experience in the plumbing trade.
- Possession of a valid New Jersey driver’s license.
- Technical knowledge of piping materials including PVC, CPVC, PEX, cast iron, and copper.
- Proven experience diagnosing and resolving mechanical emergencies in various structures.
- Ability to perform effectively in both residential and commercial environments.
- Capacity to maintain accurate records of labor, materials, and job costs.
